

As the Telegraph Outstrips the Whirlwind

To warn the crafts and commerce floating over the "Old Blue Ocean," so does that man or woman, with the **Almighty Dollar** in their pocket, ready to buy for CASH, and free from the prejudice of buying goods because they are cheap, tower above they who can only buy as best they can, or they who think the very best cannot be had, because the price is ridiculously low.

Like Chaff Before the Winds

such an outpouring of the people, such selling of Shoes never took place before in Norfolk or Portsmouth as has the past week, which was in answer to our last Sunday's announcement that

HOFHEIMER'S Shoe Sale had Begun.

In presenting facts and figures for the coming week, we want to call your special attention to the change in our price list—not an item but what would be good value at almost double the price—and the same applies to thousands of pairs and kinds which are on our Bargain Table not here mentioned.
